ATTENTION NOTICE THE DAYS HAVE CHANGED

Due to scheduling conflicts with the Avi our conference will be on a **Wednesday & Thursday 2023.**

Please put it in your schedules and calendars. Room group codes and rates to come shortly so that everyone can put in their requests and per-diem's.

There will be snacks and breaks provided, BUT unfortunately do to staffing & inflation the Buffet at the Avi is closed, so lunch will be on your own. A list of restaurant will be provided in a future.

Agenda is being finalized and will be coming out in a future email soon as your board works diligently to secure speakers and their topics.

Appreciation and Delegation

I understand we have all be very busy at our own agencies, everything from our daily duties to the unforeseen circumstances of emergent response. Thank you for your dedication and duties to your agency and community you serve.

Please think about Silent Auction items and Raffle items, donations and sponsorship of breaks.

Stay safe and hope to see everyone in March.
